Use Agreement - HMI WORKSHOP VIDEOS

IN CONSIDERATION of receipt of certain video materials requested from the Medical Acupuncture Video Library (MAVL), published by Medical Acupuncture Publishers and Joseph M. Helms, MD (collectively "the Publishers"), I hereby agree as follows:

1. **Use:** No individual or group other than the undersigned shall view any portion of the video materials. The video materials are the proprietary information of the Publishers. Permission for use of any MAVL video materials for any purpose other than my personal participation in the HMI continuing medical education program requires written authorization in advance from MAVL. The contents of the video materials shall be used for the sole purpose of my education and for the use and treatment of my patients. I understand that any other use of this copyrighted material is expressly prohibited. I agree that if I become aware of the violation of this Agreement by any individual, I will immediately report such violation to the Publishers.
2. **Non-Duplication:** I shall not copy, transcribe, excerpt, distribute, or in any other way duplicate or permit to be copied, transcribed, excerpted, distributed, or in any other way duplicated, any video materials furnished to me, without exception.
3. **Ownership:** I expressly understand that these video materials are furnished to me for viewing only and that ownership of the video materials remains with the Publishers. These video materials will be returned to MAVL according to the guidelines for video materials returns.
4. **Injunction:** It would be difficult to measure damages to the Publishers from any breach of this Agreement. Further, any injury to the Publishers would be impossible to calculate, and money damages would therefore be an inadequate remedy for any such breach. Accordingly, I agree that if I breach any provisions of this Agreement, the Publishers shall be entitled to an injunction or other appropriate orders to restrain any such breach by me without showing or proving any actual damage sustained by them, in addition to all other remedies available to them.
5. **General:**
 - (a) In the event any provision this Agreement shall be held to be invalid, void or unenforceable for any reason by a court of competent jurisdiction, the remaining provisions will nevertheless continue in full force and effect without being impaired or invalidated in any way.
 - (b) This Agreement shall be binding upon the undersigned, my heirs, executors, assigns, and administrators.
 - (c) This Agreement shall be governed and construed in accordance with the laws of the State of California.
 - (d) Any action to enforce the terms of this Agreement shall be brought in the appropriate court in the County of Alameda, State of California.
 - (e) If any action at law or in equity, including an action for declaratory relief, is brought to enforce or interpret the provisions of this Agreement, the prevailing party will be entitled to its reasonable attorneys' fees, costs and any other relief that may be set by the court and to which the party is entitled.
 - (f) All notices, demands or requests required, provided for, or permitted to be given pursuant to this agreement must be in writing and shall be given by first class mail and addressed to the receiving party at the address provided on the application form of the MAVL.
 - (g) The use of the singular in the Agreement includes the plural, as appropriate.
 - (h) The Publisher disclaims any liability, loss, injury, or damage incurred as a consequence, directly or indirectly, of the use and application of any of the contents of the videos. Viewing the videos does not demonstrate or impart professional competence in the subject.

TERMS OF AGREEMENT

- Charge for videos requiring replacement due to damage while in your possession: \$50 per video.
- Late return charge for videos returned after due date: \$100 per week regardless of the number of videos.
- Requests for extension of time within which to return the video materials must be in writing and submitted two weeks prior to the scheduled return day to avoid a late return charge.
- Payment of all charges is due upon receipt of MAVL billing statement.
- **ALL VIDEO MATERIALS ARE DUE BACK IN 60 DAYS UNLESS AN EXTENSION IS ARRANGED.**

CREDIT CARD GUARANTEE

By signing this document, I, (print name) _____, agree to timely return all videos provided by the Publishers to the MAVL office according to the terms set forth above. In the event I do not comply as agreed, I authorize the Publishers and MAVL to debit my credit card for the charges set forth above without my further approval.

In the event the credit card identified below becomes invalid while this Agreement is in effect and so long as the video materials are in my possession, I shall provide the Publishers with an alternate valid credit card number and expiration date and authorize the Publishers to debit that credit card for the charges set forth above without my further approval.
